October & November 2018

Sandy and I are praising the Lord daily for His faithful provision. We want to welcome True North Baptist Church (Pastor Phil McBroom) of North Pole, Alaska to the partnership/fellowship of this ministry. We praise the Lord for providing each one of our partnering churches. As we endeavour each day to run our course we so value your intercessions for us.

We held a special day on Sunday, November 18th, making a special drive to invite both new people, and people we have invited many times before. The Lord encouraged us with 12 visitors that day. They all heard the Gospel once again and stayed after the service for soup and sandwiches. I have included a picture or two below. Please pray for the souls of: Mike, Kale, Emma, Joan, P.J., and Ian.

We have been doing a lot of distribution of door hangers, getting our new location information into people's hands. After that has been completed, we will be going back over those areas knocking doors to preach the Gospel to who ever will listen. Pray for open hearts. As you know, the Scriptures command us to use hospitality. Above, I asked you to pray for Ian. Ian is a single man with two young children. We met at our gym. We went to a local sportsman's trade show together last month, and he is open to coming over to our home some Saturday with his children for lunch. I have witnessed to him a couple times over the last two months. Please pray that the Lord opens his heart to his lost condition and the grace of God in Christ Jesus.

Regarding scheduling for our mini-furlough in Spring 2019: I have meetings scheduled from March through May already, and will continue this work until our time is full. The Lord has opened meetings for us already from Ohio, across the upper Mid-West, to Washington State, then to Alaska, and finally, returning across the Continent to Nova Scotia. I will try to visit as many current partnering churches as the Lord allows, so you may hear from me. As I mentioned in the last letter, we are, Lord willing, planning to do these mini-furloughs over the next two or three years, in which time I intend to make a face to face report with all our faithful partners. Therefore, if you do not hear from me this year you certainly will in the next two years. The purpose of this way of going about reporting back to you is our current team allows us to be away for short periods and not inhibit the ministry; and, secondly, this should set us up to not have to take a furlough during the second church plant which, by God's grace, we intend to start in the Lord's timing.

Thank you for praying for us and the work of God here in Halifax. We take your investment in this work very seriously and desire that fruit may abound to your account. Thank you for your faithful partnership with us and Chegoggin Baptist Church.
