Dear Pastors and Churches.

CHINESE CHURCH NEWS.

After Chinese Church's Seoul Trip in April, our interpreter for the last 1 and 1/2 years, Jeonbok Kim, left us to pursue his career. We have been asking our friends in China, US, and in Korea for a good interpreter or worker, but could not find one yet. I have been leading services without an interpreter for last two months (oh, how I wish you could hear their singings, they are just wonderful!). I still cannot speak much in Chinese except making simple greetings, announcements, and remarks and I am using sermon videos by our Chinese pastor friends. Please pray hard that the Lord would send us a good interpreter or a good Chinese pastor so that we could have a balanced Chinese ministry here in S. Korea.

The Lord allowed us many wonderful blessings in the last two months. A Williams's family from Southern California and some other American visitors came to see our ministry on April 20th. It was a great blessing to us and to our Chinese people to have our friends from supporting churches in America.

We had a visiting pastor (I cannot disclose his name and please do not put this letter or his pictures on the web) from China on June the 1st and 2nd. Five people responded to the gospel and accepted the Lord Jesus as their Savior into their hearts. Please pray that salvation of souls would continue at this ministry. It makes me grieved to think that some of them are first time visitors and that I may not see them again but I am so limited in my language skills. Jae and I are studying the language hard but progress is very slow. We are trying hard to show the love of God for them through our service to them.

GEUMGANG BIBLE BAPTIST CHURCH.

In the last two months, there were two salvations at our newest Korean Church, one mother and one 11 years old boy. Please pray also for this new ministry so that we would make an impact to the community with the gospel of our Lord Jesus Christ. Pray that the Lord would give us an opportunity to enter into the City and the National governments with the gospel.

We had the visiting Chinese pastor with us at GGBBC on June the 2nd and the people took him on to support his ministry in China. This baby church now has a missionary to support. It is a blessing to see how God's works continue through New Testament Missions program.

For the last five months of this year, I have seen 20 people led to the Lord in both our Chinese and Korean ministries and I am so grateful for the grace of God! I also thank the Lord that you have been behind us for all these years, loving, praying and supporting us financially. May the Lord bless you for all your efforts and sacrifices for the furtherance of the gospel in submission to the Great Commissions of our Lord!

Prayer Requests.

- 1) An Interpreter or Pastor for Chinese Church.
- 2) Growth of our Korean Churches.
- 3) Our Chinese language study and our health.

Your co-workers in S. Korea,
