Dear Our Supporting Pastors and Churches.

PASTOR PETER KIM, MISSIONARY TO MYANMAR.

Early June, a IFB missionary, Pastor Peter Kim who is one of our longtime friends, visited Geumgang BBC to present his ministry in Myanmar. He and his wife have been in Myanmar more than 12 years and established several churches, Bible College, and an orphanage. They came back to S. Korea for their daughter's wedding in Feb. of this year, but because of the COVID19 pandemic, have been in the country for all these months, not been allowed to enter the nation.

I am very grateful that the members of Geumgang BBC accepted and took them on for monthly support. Please pray for them and their ministries in Yangon, Myanmar. Pray also Pastor and Mrs. Kim would be able to return to the field and watch over his flock whom the Lord has committed to their care.

MARRIAGE OF SEONGWON AND JIEUN IM.

It was a great honor and privilege for me to unite Seongwon Im who is a very talented young man and preparing himself for the service of the Lord, and Jieun Bae who also has surrendered her life for the service of God, in a holy matrimony. It was a beautiful wedding with many guests from different parts of the nation in spite of the Coronavirus situation. Jae and I have known Seongwon's family more than 40 years and it was a great joy to participate our old friends' happy occasion. I pray that the Lord would lead this young couple to His perfect will and to be used of God for His glory with their lives.

PASTOR CHILSEONG PARK, A VETERAN COUNTRY PREACHER AND HIS WIFE.

On the first Sunday of July, we had Pastor Chilseong Park and his wife, who are in their 80', with us at Geumgang BBC. They are grandparents of Seongwon, the newly wed young man. Jae and I have known them from even before we were married. He now has a church in a deep country side. They have served the Lord faithfully for many years. Our people were blessed to meet them and know their faith and faithfulness to the Lord and His work.

As he was driving in to the parking of the building where we have the Church on Saturday, I noticed his Hyundai Elantra was old and not in a good shape. So, on Monday, July the 6th, I took his vehicle to a garage and, with God's blessing, was able to fix his car, a headlight lamp replacement, 2 new tires, tune up and muffler job. It was a blessing to them to have the car fixed, and it was a greater blessing for our church to be a help and blessing to these dear people of God.

Jae and I are greatly thankful for your prayers and faithful support for our work in S. Korea. As we go through a difficult time because of COVID19, your faithfulness and love have been a great encouragement. There were several churches who sent us special gifts in spite of the fact that you all are facing the same difficulties and needs. So, we are very humbles and honored to be loved and to work together with you for His gospel. May the Lord bless you all for your sacrifice and love for the furtherance of the work of God, home and abroad!

Prayer Requests.

- 1) Wisdom and Power of God for Evangelism. (Anti-Christian attitude everywhere.)
- 2) Protection of God upon our people, Chinese and Korean, from this pandemic.
- 3) My family in Washing State(Libby and her family, Mom, brother and sister, and their families.).

Your co-workers in S. Korea,

Benjamin and Jae Park
