Dear Pastors and Churches.

ON-LINE SERVICES AND COLLEGE CLASSES.

COVID-19 pandemic has hit hard on every area of our lives and seems that there is no exception among countries and peoples. In spite of its effect on our ministries, in church and college as well, we are trying to do our best to teach and preach even by live streaming and video classes.

From the beginning of this calamity, we have had church services both on line and off line. I am very grateful for those who have been faithful to attend the church services even though there have been government restrictions and criticism from the unbelieving world. I am also grateful for those who have participated in the services on line as well.

Our Bible College started the 2nd semester of 2020 this month and I am teaching English by using Zoom. It is not the best situation, but we are doing all we can in the situation. I believe it too 'came to pass' and will be over one of these days.

ONE-ON-ONE DISCIPLESHIP.

Jae and I have had one-on-one discipleship from the beginning of this church and have awarded certifications to those who completed each course. These two are among several others who recently completed the first course of this program. It is a great joy for us to see people not only get saved but also grow in the Lord.

GLOBAL BAPTIST PRESS CONTINUES PUBLISHING MATERIALS.

I have set up Global Baptist Press in 2013, and have published materials and books for the Fundamental Baptist Churches and people in Korea, and, with the help of my Pastor friend, Pastor Kukyeon Chung, I have put out daily devotional material for the last 5 years. The Lord has blessed this ministry and many people in Korea as well as in U.S.A use this for their spiritual growth. Recently, I also put out an e-book on Salvation truth by Jack Hyles, which I translated many years ago but not available any more in book form. Please pray these materials would be used to benefit His people and to glorify God.

Thank you all for your involvement in our ministries by prayers and sacrificial financial supports. It is our privilege and honor to be your representatives in this land for the gospel of our Lord Jesus Christ. May our gracious Lord God bless you all as you too go through this time of great trials!

Prayer Requests.

- 1) Protection of God upon our people, Chinese and Korean, from this pandemic.
- 2) My family in Washing State (Libby and her family, Mom, brother and sister, and their families.).
- 3) Our ministry to make a difference for God in the community.

Your co-workers in S. Korea,

Benjamin and Jae Park
