Dear Pastors, Churches, and Friends.

SALVATION OF KIM JIYOUNG AND YI KYONGWON.

Brother Yom and his wife were added to the membership of Geumgang BBC last year and they have been great blessing to our ministry. They invited Jiyoung Kim to the first Sunday service of 2021, when I had to bring the message via Zoom from home. On the week I finished house quarantine, Jae and I met her at a café in Daejeon. The Holy Spirit was in charge of the conversation, even though it was her first time to hear the gospel, she was able to understand the reason and meaning of Jesus' coming and death on the Cross as well as His resurrection. She accepted the Lord personally into her heart and was born again that day. It was such great joy and privilege to see her saved. Since that day, she tries to be faithful to attend services even though her work schedule hinders her from attending all the services, and now she is praying for her family to be saved.

Brother Yom introduced Kyongwon Yi to us as well. We met her at the same café on the last week of January and the Holy Spirit worked again. She also accepted the Lord into her heart. We have been following up this lady since she lives in another city and not able to attend our services. We are trying to introduce her to a good church in the city of Pyungtaek. Please pray with us for the spiritual growth of these newly saved sisters in the Lord.

GEUMGANG BBC SECOND ANNIVERSARY SERVICE.

Geumgang BBC had the first service on March, 3rd, 2019 and celebrated its 2nd anniversary on March 7th, 2021. It was a very special time. There was no special guest speaker, nor special invitation of neighbors and friends. COVID19 made everything so limited and restricted, but we had 31 people attended that service.

The platform was decorated with a special flower arrangement. There was a beautiful choir special that our people prepared and sang. It was a sweet time of fellowship and we praise the Lord for His blessings upon us for the last 2 years. I believe we will continue to have another year of growth spiritually and numerically. I have uploaded a ministry report video and that of the choir special on YouTube. You can watch those by going the following links.

BIG THANKS FOR HOLDING THE ROPE FOR THE LAST EIGHT YEARS FOR US.

It will be eight years next month for Jae and I to be in S. Korea as IFB missionaries. The Lord has blessed us with many works and results as we strived to preach the gospel through planting churches (Koreans and Chinese), meetings and conferences, Bible College, and publishing, etc. Jae and I always remember that without your holding the rope for us with prayers and financial supports, we wouldn't have been able to do any of the works we are doing. So, Big Thanks from our hearts for being such great help and blessings.

May our gracious Lord bless, protect each and every pastors, churches and friends from the evil of this world and reward you for your involvement in our ministries!

Your Missionaries in S. Korea,

Benjamin and Jae Park
