- **Planning ahead is vital for success.** You can do this by a regular review of the Refreshments Duties Schedule. This schedule will be on the church website at [www.sowinginallinace.org](http://www.sowinginallinace.org) under the *HBC Dates, Schedules & Events* Tab. It will also be handed out in service once at the beginning of the year. We ask that you please **DO NOT** wait until your scheduled day to plan your refreshment so that a last-minute absence leaves us lacking.
- **Communication is vital for success.** Speak with your team member about your plan for each of your designated Wednesday nights. Team work will make for a much better and more enjoyable snack idea on your designated night.
- **Please make every effort to fulfill your duty if you can.** If you can't be there on your scheduled night but you can prepare your refreshment and send with a family member, please do. If you can prepare your refreshment and send with another church member, please do this as well.
- **Out of town for an extended period of time or illness,** Please call the backup listed for your month as soon as possible to give them time to prepare to take your place.
- Should a team want to trade nights with another team, please run this through Tracy and she can facilitate such changes.
