Dear Supporting Pastors, Churches, and Praying Friends.

**10&1 (TEN N ONE) EVANGELISM.**

DPBBC has had an evangelism and soulwinning campaign, which was named 10&1 evangelism, and which means everyone to hand out 10 tracts every week and to bring 1 person to the Lord during the campaign.

Every week we go to Government buildings such as Ministry of Trade, Industry, and Energy, National Tax Service, National Fire Agency, etc., and Sejong City Hall as well as street corners to reach the government officials, city employees, and people of the city to the Lord.

It seems like it's getting harder to win souls to the Lord as the time goes by. Please continue to pray for the lost people in this nation to be saved and God would bless and use DPBBC to accomplish His purpose in this perilous times(2Tim. 3:1).

**SPEAKING AT BBC PASTORS' NATIONAL MEETING.**

On the 3rd week of October, there was a Bible Baptist Church Pastors' National meeting and I was asked to speak on Soulwinning and Visitation program. It has been 70 years since the first BBFI missionaries Mr. and Mrs. Isaac Foster came to S. Korea in 1954 with the gospel of salvation by the faith in the Lord Jesus Christ. More than 220 churches have been established all through the nation by the efforts of American missionaries and national churches.

The theme of the meeting was "Again, 1954" which is to challenge pastors and churches to rekindle the fire and zeal for soulwinning. I preached on 10 reasons for soulwinning and introduced the soulwinning campaign and program of DPBBC to the meeting. The Lord blessed the message and it was well received among pastors and workers.

**MISSIONARIES VISITED DPBBC.**

DPBBC has been supporting foreign and home missionaries from the beginning of the church. Currently we support 4 foreign missionaries and 2 home missionaries, 1 Bible College, besides Bible College students in America.

Bro. Seongcheol Kang who is planting an Independent Baptist Church in the Eastern province of S. Korea visited DPBBC to report his ministry.

Bro. and Mrs. Jeongsun Park have been in Kaohsiung city, Taiwan for the last 5 years and trying to establish Philadelphia Bible Baptist Church. They visited us in October to give us how the Lord is using them to win Taiwanese souls and to establish an Independent Baptist Church in that hard city.

Bro. Woojin Choi has been in the States for the last 5 years to attend and graduate from Heartland Baptist Bible College and to have a Korean ministry at Central Park Baptist Church in Carrollton, TX with Pastor Delbert White. He returned back to S. Korea last month to help his father's church in Anyang, S. Korea. He came to visit and thanked our people for support and help while he was in America for training.

The year 2024 has only 1 month left. It was another fruitful year in our Lord Jesus Christ by the Grace of God and by your love, prayers, and faithful supports! Jae and I are thankful for the blessings we have as your missionaries. May God grant you all a wonderful and plentiful "Thanksgiving Holidays"!
