

2024 Wednesday Refreshment Schedule

(The Last Wednesday of the Month)

We hope that through this organized plan, we will see things flow smoothly regarding our fellowships. Thank you for your participation!

Planning Ahead & Communication is vital for success.

Please speak with your team member a few weeks ahead of time to plan what to bring. When planning how much to bring, keep in mind that the church has been growing. The average Wednesday night attendance has been around 45.

Please make every effort to fulfill your duty.

If you can't be there on your designated night please send your snack with a family member or another church member. If you are unable to send it with someone, please contact the backup person to see if they can fill in for you. Please let your team member know about the change.

Clean Up Duties

At the end of the snack time the team members will be responsible to:

>>>Wipe off the kitchen counters & sweep the kitchen floor.

>>>Wipe off the tables, put the chairs on tables and sweep the floor in the dining room.

Call or Text Tracy Schuler @ (308) 430-5433 with any questions.
