Greetings, prayer and support Partners!

First, let me thank you all for your support, prayers, and love.

Last week I beckoned you to pray for us concerning a possible meeting place to purchase. In short, God closed the door. We rejoice to know His will. We thank Him for opening doors and we praise Him for closing them as well. The leadership of the Spirit of God is so very vital to us. Thanks for praying for this building opportunity. Please continue to pray for our building fund to grow and for God to lead us to a building that would be both affordable and suitable for our needs.

To be clear: we are not discouraged! We are rejoicing in a God Who keeps us from things that are not in His perfect will!

In Christ's Great Love,
Ted Alexander & Family
