

GRISSOM FAMILY PLYMOUTH, ENGLAND

Dear Pastor and supporting churches,

April 2018

Hello from the beautiful coastal shores of Plymouth, England. All is well with our family as we adapt to the unpredictable weather conditions here in the West country. Consistently, we have found ourselves looking for a glimpse of sunshine to find its way through the heavy cloud cover that surrounds our island. We have done well in the three months since arriving in country to navigate our lives around the many weather changes experienced through out the month of April. We have been very busy organizing our home, maintaining home schooling for Andrew, while continuing to leaflet and evangelize the city centre of Plymouth.

So far this month, our family has labored in the St. Budeaux sector of Plymouth. As we cross the Tamar Bridge, there are 19,451 homes nestled on the hill top, overlooking the sound where many of the British Navel vessels are ready to be deployed. We have estimated it would take our family a great amount of time to canvass this area on our own. We have considered using the Royal Mail to deliver a card stock track and invitations by post. They have given us a cost for their services, allowing our information to arrive into all the homes and apartments of the St. Budeaux ward. If we decided to use the royal mail, they would need a four week lead time, allowing them to deliver the 19,451 mailers in one week. During this time, we could concentrate our effort in another area. Please keep the area of PL 5 in your prayers as we share the gospel and our information in this area.

*Our evangelism efforts in the town centre of Plymouth is going well. Several weeks ago, I counted 550 people will pass by my post every five minutes. Glory to God, what an opportunity! I had some opposition two weeks ago while handing out tracts and leaflets outside of Drake Circus mall. There was a gentlemen, about my height, who decided to stand right beside me to distribute his literature contrary to the gospel of salvation by grace through faith. Our Heavenly Father cared for the matter! As mentioned, this enemy of the gospel tried to get me to respond to his antics, however, as I moved away to keep from a conflict, two individuals came and allowed us to share the gospel. **Rom 11:36 For of him, and through him, and to him, are all things: to whom be glory for ever. Amen.** The morning that I sat down to write this news letter, the Lord gave another great day in the city centre. I was able to talk with 15 individuals, shared the gospel with four, received confirmation of two who desired to communicate by email. On behalf of the 300,000 needy souls in Plymouth, England we thank you for faithful support and prayer that allows our family to serve on your behalf.*

In closing, our family is updating the needed contact information to send a monthly news letter via email. Please, send us your email address, allowing our records to become current. We pray for our supporting churches, and dear friends we met along the way! May the Lord richly bless you. Brethren, until the next news letter, let us continue in the ministry of reconciliation!

God bless,

Bro. Grissom and family
