

February, 2024

Our February calendar filled up quickly. We were blessed to have dinner with several families this month. We also were blessed by the attendance at church this month. Not only did we have several guests, but we also had return guests from out of town. We're encouraged by the work God is doing; not just in the visible attendance at church, but also the inner working in the hearts of those that attend.

Ric and Dawn joined us for dinner at our home this month. It had been awhile since we were able to sit down and fellowship with them. We see and talk to them at church, but having time for our families to fellowship is always a blessing. It was fantastic to hear how God is working Ric to lead his house to make some big changes. God continues to work to remove old habits and establish new, godly ones. Having Dawn by his following and supporting him is fantastic to see. We pray that they would stay faithful to the commitments they have to the Lord.

We were also blessed to have Popi and Cindy join us for dinner. We had yet to be able to sit down and have a long conversation with them, so we were looking forward to spending time with them. During February, it was great to see Popi and Cindy bring their adult daughter Amanda to church. They have been faithfully attending Sunday morning services all month. Amanda even brought her boyfriend, Kevin, and his children (they live in Colorado Springs and are looking to move to Ogallala) one Sunday this month. The following Sunday, she brought her 19 year old daughter, Piper. We look forward to developing relationships and seeing the Lord work in their lives.

Lastly, we were invited over to dinner at the home of another homeschooling family. They already attend another church in town, but it was good to continue to develop a relationship with a family similar in age, size, and biblical values as ours.

Ladies' Meeting was well attended this month. Dawn, Cindi, Amanda, and Sherry (my mother) were in attendance. The ladies enjoyed the time of Bible study and fellowship. My parents will be moving to our area in a few months and plan on attending as much as possible. We are so thankful that as people come that they are able to develop relationships with others. We want to see the God-loving, family atmosphere of Ogallala Baptist Church grow.

Thank you for all of your support and prayers. We have been confident of God's working since we came to Ogallala in November of 2020; and it is amazing to see the manifestations of His working. Please pray that we will see people saved, baptized, and added to Ogallala Baptist Church!

Prayer Requests

- Growth in relationships and the opportunity to personally share the Gospel
- Wisdom to help those in whom God is working
