Your Missionaries to Thailand

Hereby perceive we the love of God, because he laid down his life for us: and we ought to lay down our lives for the brethren. 1 John 3:16

Dear Family and Friends,

Thank you so much for praying for us. God is hearing and answering your prayers for us. This month the folks have started coming back after the virus hit again, and school is back from summer break.

News from a foreign land: This month's story is a first for us. The man in the picture is O. O is so faithful to church. O is a barber by trade. He normally asks some very good questions. We just studied one question he asked about the location of the garden of Eden. Last month, God was working in O's heart. O asked me if I had peace in my heart with everyone. I told him that I did. O said he wanted that also. Then O told us about the abuse he had suffered as a

boy from his mother and said he had not seen her for almost ten years. He said, he wanted to see her but was worried that he would do something wrong. The more O talked with us the more anxious he got. Then before he finished, O asked if we would go with him to meet with his mother and we told him that we would go. On the day we left, we all met up and drove down to where his mom lives. We prayed so much on the way down that God would help all of us. We got to O's mom's house; it was so strange after getting there. O's mom left and was gone for a long time, which we were confused by this. When she came back and started talking with us, she was very nice to us. She asked us if O was a Christian, we told her yes. During this time O said he was going to go somewhere, so, I went outside, and Jodie was talking to his mom about Jesus. O and I were talking, and he said, he had peace in his heart. O said it was like sitting on the beach by the ocean. God has given O peace and forgiveness for what happened in the past. O's mom did not get saved but we are praying for her. We thank God for helping O begin to reconcile with his mom!
