

THE SCHILDKNECHTS

Your Missionaries to Thailand

Hereby perceive we the love of God, because he laid down his life for us: and we ought to lay down our lives for the brethren. 1 John 3:16

Dear Family and Friends,

Thank you so much for praying for us. God is so good to us! We thank God for the privilege of serving here. Many times, people think it is a sacrifice to be a missionary. It is not a sacrifice, it is a privilege to be here. We cannot think of any other place we would like to be.

News from a foreign land: This month's story is very special to us. Years ago, we asked a pastor from India the best way to witness to Indian people. He told us the first thing to do was to become friends with them. This is very true here in Thailand. Many folks here will watch us for years before starting to become friendly a little. The lady with Jodie is just like this. We call her Baa, which means Auntie. She is 75 years old. Baa's health is getting worse. When she walks, she is bent over. We have been saying hi to her for years. At the beginning she was not very friendly at all. For the last couple of years, she has started warming up to us. A couple of weeks ago, we stopped and gave her some bananas. She told Jodie that she

had gotten saved. What a blessing to our hearts. This was a shot in the arm for the day. Today we stopped and said hi to her. Baa told Jodie that we were good folks. This is a true witness of how much God changes someone. Baa went from not friendly to liking us. We know it is not us, it is all God. Glory to His Holy Name!!!
