

Pastor Ted Alexander & Family

Homestead, Florida

A mission work of the Cozaddale Baptist Temple, Goshen, OH.

07/12/2023

Greetings, prayer and support Partners!

God recently afforded us a great opportunity to visit the Holy Land with the Broken Arrow Baptist Temple. We were blessed and enriched tremendously. The hospitality and kindness of Pastor Mcentire, Brother Bryant, and the whole church were a true blessing. We may have never been able to fulfill this dream had it not been for their help! What a blessing!

Sea of Galilee

Revelation 3:20

Overlooking Dead Sea

These are just a few of the awesome sights we visited. My life and ministry were touched and changed by God, through this trip.

Since our last ministry letter, we have continued to press forward. While some turn back out into the world, we are thankful that many have not. God has blessed our efforts, and He often blesses in spite of us, in many ways.

Throughout the last month we have had a lady named Debbie show up for every Sunday Morning service. She was contacted through door to door soul-winning. We have also had a man named José in Sunday morning and Thursday night services for the last three weeks. José was contacted through our banner ministry. Both Debbie and José claim salvation. We are carefully working with these two and we pray they will ultimately submit to church membership.

We are as busy as ever. We have institute tonight. We have a missionary with us this Thursday. Then on Saturday we will do outreach in the infamous Florida heat and humidity. It's been over 100 degrees lately with high humidity. The direct Florida sun is brutal.

Next Wednesday we leave to travel to Indiana for my daughter's wedding. Emma and Joshua Danford will be married in a little over a week! Unbelievable!

We have a "Friend Day" planned for early August. This is an opportunity for us to encourage each church member and attender to bring a lost visitor to the house of God to hear the Gospel. We are also doing a big tract contest in the month of September. We will be challenging each individual to pass out as many tracts as possible in this month. We are also challenging our people to explain the Gospel message in the tract, and also to invite the person. We pray this will become a habit for everyone!

Please pray for more visitors. Please pray for our current visitors to join us. Pray for Isabella. She made a profession last Sunday night, but it is unclear whether good works will follow.

In Christ's Great Love,
Ted Alexander & Family
