Hereby perceive we the love of God, because he laid down his life for us: and we ought to lay down our lives for the brethren. 1 John 3:16

Dear Family and Friends,

God has been so good to us this month. We have some new folks coming to church and some folks getting ready for the next step in their Christian life. As we all know, when God is working the devil starts fighting. We beg you to continue to pray for us.

News from a foreign land: In our neighborhood we have a couple of places that sell alcohol. The owners sell from morning until night. Because of this, there is always a group around who like to get a drink. The group is mainly made up of the same folks. They have gotten the gospel several times. We have seen several get saved and when God is working in their lives, they will quite hanging out with these guys. When someone new comes we always go and invite them to church and care about them. Recently, Din joined the group of drunks, so we were able to meet him and invite him to church. Every time we would see each other, we would greet each other and chat a little. He was a very nice and a respectful drunk. This month he and a friend came to church for the first time! God worked in the service and Din got saved. Glory to His Holy name. Since getting saved, Din has not been hanging out with the drunks. We have seen this happen before. God changing people's lives just like He did ours. We thank God for saving sinners and changing their lives.

Happy Thanksgiving from us here in Thailand!!! We beg you to pray that God continues to work here. Thank you so much!!!
