Hereby perceive we the love of God, because he laid down his life for us: and we ought to lay down our lives for the brethren. 1 John 3:16

Dear Family and Friends,

Thank you so much for praying for us this month! Update on the folks who are really sick. Att, was moved to a hospital an hour away. He is not doing well. Thank you so much for praying!

News from a foreign land: This month was crazy!! We had the worst flood our city has had in over 100 years. The first picture is the water getting ready to come into our building. The second is a picture of the outside. Our building is over a mile from the river and the flood water came from the river. On Saturday the 6th, water started filling the streets about 3 a.m. The water kept on coming and coming. We had sandbags, but the water was too high, the sandbags could not contain it. We had to evacuate after 11 a.m. We walked out to where it was dry. The whole time the sun was out, and it was hot. On Sunday, I went back to check the building, and the water was higher than on Saturday. The building had around three inches of water in it. Folks were praying for us. The news on Sunday night said it would take two or three days to go down, but

Monday the water was off the roads. Psalms 29:10a says; The LORD sitteth upon the flood... We can testify that this is true. When the water started coming in, God was there with it, Glory to His Holy Name!
