*Hereby perceive we the love of God, because he laid down his life for us: and we ought to lay down our lives for the brethren. 1 John 3:16*

Dear Family and Friends,

God is so good! This month God has been working. We have had folks come and visit us. It is such a blessing to see God work in peoples lives. Our Bible study nights are growing, and people are asking questions. People asking questions here is a big deal. In school here, kids are punished and ridiculed for asking questions. It is a blessing to watch God work in folks' lives.

**News from a foreign land:** We would like you to meet some of the kids that come to church. These kids live by the canal in wood house or shacks.

The two girls standing by Jodie have been coming to the church since it opened. The girl in the back started coming three years ago, after moving here from Burma. Their names are Natalee (Pink), MeeMee (Brown and White) and Lily (Black).

About a year after the church opening, Mormons started working in there area. One lady started going to the Mormons and she started trying to convert everyone else. The Mormons here are like

the ones in America. When folks start going to them, they give them stuff and money. But after they get their hooks into the folks, they stop giving them things. Lily, the girl in black, got hooked in with them. She quite coming to church and her spirit changed toward us. Before going to the Mormons she never got saved. Last year she quite going with them and gradually started coming back to church. We just loved her and prayed for her. Since reopening after the quarantine, Lily has been coming faithfully. Two weeks ago, during the invitation, Lily got saved, amen! Glory to God in the Highest!!! Before she would not smile at us, but now she smiles! Thank you, Jesus, for saving this girl! She comes to church not for stuff but for Jesus, amen!
