# Home Missionaries

January 10, 2019

Dear Pastor and Church,

### Thank You for Praying!

I would like to thank you for praying for Jan and I during a very difficult time in our life. So many of you have communicated with us expressing your love, concern, and prayers for my health. Many of you have written and recalled a memory of friendship or ministry and that has meant so much. In today's busy world, we recognize that took time and effort and we are so grateful. What an encouragement you all have been.

I asked for prayer in our last letter concerning the sale of our home for which I am thankful to say that within two weeks we had a contract on the house. The process is going smoothly and we have a target date for the closing of February 15. Please continue to pray that there will not be any hindrances along the way. We would also appreciate prayer as we try to find a house in the Houston area.

### An Exciting Phone Call!

In the middle of getting the house ready to be put on the market, I received a phone call from a young man that believes the Lord has called him into church planting and after hearing that we had to step down was interested in the work here in Pittsburg. To make a long story short, Bro. Corey Estep and his wife Sierra came and were voted in to continue the work restoring the Liberty Baptist Church. Bro. Corey has sold his home in Florida and will be moving here the first week of February.

Please pray for them as he is trying to raise support for them to carry on the ministry here. If you would be interested in supporting Bro. Corey on a monthly basis or even a one-time offering, he can be contacted at 405-570-1541. He would be willing to answer any questions that you might have or even be willing to come be in a service and present his ministry.

Jan and I have so much to be thankful for and you are at the top of the list. Your support for us both financially and prayerfully is such a precious gift to us and there are not words to express our sincere gratitude. Thank you for letting us represent you all these years.

In Christ,

  
Richard King
