Hereby perceive we the love of God, because he laid down his life for us: and we ought to lay down our lives for the brethren. 1 John 3:16

Dear Family and Friends,

God is so good! God is working here in a mighty way. Our Pastor was planning on coming to Thailand for the church's five-year anniversary. We have been planning to come back to on furlough in August 2021. But the Chinese virus! With our pastor's council, we have decided to push back our plans on coming back until March of 2022. Coming back to America is not a problem but getting back into Thailand is. With our visa we could not reenter the country right now. We are trusting God to direct our path!

News from a foreign land: It is exciting to serve God! The Monday night Bible study is getting packed. The folks coming are excited to learn the Bible. God is working in their hearts and it is so much fun. The folks like to joke and have a good time. Right now, we are studying about the Bible. It is so exciting. On Thursdays we just finished studying about heaven. In the picture is some 20 and 30-year-old folks after

Bible study. The tallest Thai guy in the picture is O, the guy God used to help us reopen the church here. O has been coming to the Bible studies faithfully. One night as we were doing the study, God changed our direction. We had some new folks present. We gave the gospel during the Bible study. While we were praying with some people, we could here O praying and asking God to forgive him of his sins. What joy we had for our friend. After that night, O changed a lot. O did something he had never done before. He referred to himself as a Christian. That was huge, he had never done that before. Some folks here say they are Christians, but when you ask them when they got saved, they cannot answer the question. We know lots of you all were praying for O to get saved and God answered your prayers. Thank you so much for praying for O. Glory to God in the Highest, Amen!
