Dear Supporting Pastors, Churches, and Praying Friends.

Chinese Ministry In Pyeongtak Restarted.

As I have asked you to pray and to help for in my previous letter, the Chinese ministry in Pyeongtak restarted on Aug. 23rd. I'd like to say my sincere "Thank You" to everyone who have prayed and helped for this ministry. On the reopening day, we had 50 plus Chinese people and Pastor Daniel Kim brought 7 of his people. And 15 members of DBBC also went to celebrate this event.

Pastor and Mrs. Min are working hard to know and love, and to preach gospel of salvation to these Chinese people who come to S. Korea where we have freedom to preach the gospel. I am very grateful that the Lord sent Pastor Min and his wife to us so that this ministry could be resumed after almost 5 years of lapse. Please continue to pray for this precious work and its needs.

Baptisms, Summer Camp, and Revival Meeting at DBBC.

The Lord has blessed the ministry of DBBC as well. There were 2 baptisms, a 70 years old father and his son in his 30' got baptized in July. It was a great blessing how the gospel changes lives and families.

We had our Family Camp early August. The theme of the camp 2025 was "Remember the Days of Old"(Deut. 32:7) and I taught our people about "The History and Heritage of Baptist Church".

At the end of August, Aug. 29th-31st, we had a Revival meeting with Dr. Larry Chappell, former missionary to S. Korea in the 1970'. He is the father of Pastors, Paul, Mark, and Stephen Chappell.

Dr. Chappell and I have worked together when he was in S. Korea as a missionary. We traveled many times together to preach the gospel and started the Mogpo BBC in 1980 before he and his family returned to America.

He has been my mentor and teacher for many years even after he returned to America. It was my joy to have him back to us and saw him meet our dear people, some of the fruit that his ministry in S. Korea has produced over the years.

Fundamental Baptist Conference.

After the Revival meeting, we had our 3rd "Fundamental Baptist Conference" on Sept. 1st-3rd, for Pastor and workers of Independent Baptist Churches in S. Korea. The theme of our conference was "Jesus Christ, the first Fundamentalist!" Dr. Larry Chappell was the main speaker and Dr. Jim Taylor of Haven Baptist Church in Gunsan taught sessions. I spoke that even though the Fundamental movement started in early 1900 in America, our Lord Jesus Christ is the Author of our faith. There were about 50 pastors, workers, and wives attended this conference and the Lord blessed and challenged our hearts for the Biblical faith and ministries in S. Korea.

It is our joy to be used of God in S. Korea. Jae and I are very grateful that you all have been behind us holding the rope with prayers and financial supports! May God bless and continue to use you all for the furtherance of the gospel ministry around the Globe!
