Greeting to all our partnering churches. Sandy and I pray for you and want to thank you for holding the ropes of prayer, and your sacrificial fellowship in the Gospel. The work of the Great Commission is the heart and soul of our Lord Jesus Christ. That work—preaching, teaching, baptizing, discipling, and establishing Scriptural Baptist churches—is only possible through our Lord Jesus Christ to Whom has been given all power. We daily find His grace sufficient and rejoice in seeing God’s grace manifest in the obedience of the young disciples here, and in the turning of the lost to Christ by the Gospel. The work here is small in numbers; but, God’s Word and Grace is never small in their impact in each life.

Our winters are normally a time when everything slows down here. We have, at this writing, a couple feet of snow on the ground. We have had to cancel three or four different meetings over the last two months due to snowstorms. All very normal. Of course, we are very pleased knowing spring is close at hand—except the Lord come before. At the end of March Sandy and I will be travelling to Ohio, where I will be preaching a missions conference. After that we will be taking a week of personal time and visiting our son and his family in Missouri. A preacher friend, Bro. Danny Jack and his wife, will be staying in our house and covering the ministry needs here while we are away.

Thank you for praying for Gordon. I regret to report that after coming out to church a couple times, and having one personal Bible study with him he has broken contact. At least for now—God is merciful. Thank you for praying for Tyler. He has not been coming out but we keep encouraging him. We know you have been praying for Tim. He has many struggles but keeps coming and taking the firm but loving truth. Confusion in men’s minds is not of God; pray for clarity of understanding for Tim. Thank you for praying for Brandon & Jenna. They are growing in the Lord and faithful.

We have summer outreach plans for June through August. We are praying and planning on holding open air preaching in some of our local city parks. Our folks here seemed genuinely interested, and our home church will also be assisting us with this. We are also going to try to set up a small tent and a table and offer complimentary Bibles and Gospel tracts. Please pray that the Lord opens the way for us with city bureaucracy, and the logistics. Pray for us here regarding the growth of the disciples and reaching more and more people with the Gospel.
