"And the grace of our Lord was exceeding abundant with faith and love which is in Christ Jesus." (1Tim. 1:14) Brethren, we thank the Lord for His all-sufficient grace. Not only has He blessed us with His salvation in Christ Jesus, but daily is sanctifying us, and strengthening us to serve Him, in reverence and godly fear. It has been a blessedly busy three months; and, I must apologise for the lateness of this letter.

In March (the 23rd) Sandy and I traveled by plane to Ohio, where I preached a missions conference for Brother Jim Males and the church plant in New Matamoras at which he is working. After a week there we took a week of personal time and visited our son and his family (Adam & Libby; Jane, Barrett, Gideon) in Missouri (Springfield area). It is good to see Adam and his family settled into BBC in Ash Grove, and serving the Lord there. We had a lovely time with all, especially with the grandchildren 😊. We returned on April 7th to Halifax.

Over the last two months we have had several visitors. You have prayed previously for Tyler, please keep praying for his soul. Also, pray for Hannah. She is Tyler's girlfriend, and has come to one service, so far. We have been having a university student coming occasionally, Yuxoun; a young man from China. I am spending some time with him and speaking to him of Christ and the gospel. We came to know Yuxoun through Hayden, a young man from our sending church who was attending university here in Halifax and was witnessing to Yuxoun. We thank the Lord for the increase of contacts/visitors and are praying for each of these dear ones. We had one Sunday evening service with five visitors.

In our Sunday evening services I have been preaching a series on the New Testament Baptist Church. In the mornings we have been working through Bible doctrine

systematically, currently finishing the doctrine of man, and then on to how to study your Bible. On Wednesday evening we are working through the book of Romans and then have a blessed time of prayer, with such a good spirit and participation.

In our last letter I mentioned we were praying and planning in regards to a summer outreach plan. Through June, July, and August we will be holding five Saturday open-air Bible preaching meetings in three different public city parks. Our folks, as well as sometimes folk from our sending church, will be attending; we will have signage inviting people to join us, preach a gospel message, and then have tracts and Bibles to pass out afterward. Pray for us. We are not ignorant of the adversary's devices. Pray for our own boldness of faith, and for wisdom. Pray for the effectual and powerful going forth of the Gospel; and that the message will be received by men to the saving of their souls.

May the Lord bless you for your investment in prayer and finances for this ministry. We are praying for you and thank the Lord for each of you.

Your servants for Christ Jesus,
Paul and Sandy Burbidge
