- → Please make sure grass is cut near or at the end of the week for Sunday.
- → Please thoroughly clean mower upon completion. We need to be good stewards of what God has blessed us with.
- → Please vacuum the boiler room just inside the back door when you are finished.
- → Please use the edger attachment along the sidewalk.
- → Please weed eat along the building each time you mow.
- → Get the combination to the lockbox from Bro. Steven Watson. We will be rotating the combination every couple of weeks so it will. It is your responsibility to check with him for the combination.

If circumstances will prevent you from mowing your scheduled week, please plan to trade with another person and then let Bro. Steven Watson know as soon as possible. If any issues or questions arise, please contact Bro Steven at 308-360-2361.

Thank you for being willing to serve our Lord by helping us be good stewards of the property He blessed us with. Our blessing and rewards come from Him.
