Sept 2026

Greetings Pastors, Family, and Praying Friends,

We have several exciting things to mention in the update letter. On July 18, our oldest daughter, Rose, married Bryce Waltman. Their first time to hold hands and kiss was at the marriage altar. Praise God! God's way still works. Thank you to everyone who prayed for the wedding and to those who came.

We also would like to update everyone about the change of our sending church. I am glad to report to you that this was a smooth transition with no problems. We simply needed to base our older children close to family and moved our membership under the authority of Calvary Baptist Church in Lucedale, MS. This was with the blessing of our former sending church, Calvary Baptist Church in Kingston, TN. We have also included with this letter a letter from Calvary Baptist Church as stating such. Please make a note of the support address change. **Checks should continue to be made to Calvary Baptist Missions and be mailed to 11601 Lott Rd, Chunchula, AL 36521. On the memo, please write Imsands.** This is an exciting time for Lydia and I. It is just one more step closer to getting back to the foreign mission field. As many of you are aware, once the children turn 18, they are no longer covered under the Father's visa to remain in the country of Korea. So we are establishing a stateside base located in Alabama near our new sending church located in MS. This allows the children to be near the aging grandparents, and every 2 years another child will need to return to the US.

The Lord gave me an opportunity to preach and testify at a local jail in Mississippi. There were about 60 men in attendance, and many seemed encouraged to hear about my testimony of salvation in a jail nearly 26 years ago. There is also a church here in Alabama that currently does not have a pastor. I have committed to preach one Sunday a month until they find a new pastor. Please pray that God would send the right man to pastor these precious folks.

We continue to travel and update supporters as well as raising more support. Please pray for the upcoming Korea trip where we will be getting the Bibles into North Korea. We need your prayers.

Sincerely,
The Imsands
