#### **Areas that need to be cleared**

Clean side walk on Box Butte (corner to neighboring property, side walk on 9th street (corner to alley) and Ramp, steps, and handicap access to street. We need to keep the snow as clear as we can from the curb so that people can park and walk as safely as possible to the door. Salt walkways only if slick. The date is the Sunday that we are responsible for (this may mean shoveling on Saturday). If there is a large scale snow event we have men with equipment to make things easier. Call Zach with any conflicts or concerns.
